

CHURCH CREEK PRESBYTERIAN A REFORMED FELLOWSHIP

JOHN OLSON, PASTOR

Faith comes from hearing, and hearing through the word of Christ

July 17, 2019

Dear Fathers and Brothers,

Welcome to Church Creek Presbyterian! It is our privilege to host you for the 15th Stated Meeting of the Lowcountry Presbytery along with the Lowcountry Women in Ministry (WIM) leaders on Saturday, July 27, 2019. We are also thankful for TE Arklie Hooten, the National MNA short term missions and disaster response director for MNA/PCA, and TE Curt Moore who was formerly with MTW and now specialized in helping presbyteries form cooperative, diaconal efforts among sister churches. They will be leading our discussion in our ministry equipping time on several important diaconal ministry opportunities. Given the emphasis on diaconal ministries, we do encourage you to invite your deacons to attend. Please RSVP the anticipated attendance count from your church so we can plan accordingly.

We are located off of historic Ashley River Road at 2234 Plainview Road, Charleston, SC 29414. Any of the GPS devices or apps will get you here. On the following page, you will find a simple layout of our campus so that you can easily find the Parking Lot, Sanctuary, Fellowship Hall, and Christian Education Building.

Registration will start at 8:30am in the Fellowship Hall. There will be coffee and breakfast provided in the Fellowship Hall beginning at that same time. Following the worship service, which will be held in the Sanctuary, the men will meet in the Fellowship Hall for business, while the ladies of WIM will meet in the Christian Education Building for their business. We will all meet back up together in the Fellowship Hall for lunch. We are asking for \$5 contributions to defray the cost of the food.

Wi-Fi is available throughout our campus and can be accessed on the network "CCP." We have removed all passwords for ease of access while you are here.

We look forward to seeing all of you! May God bless our worship, work, and fellowship!

On behalf of the Session of CCP,

David O. Donovan
