

January 15, 2020

Dear Fathers & Brothers,

When we were praying for God to provide a building for our church plant last spring, I could not have dreamed that we would be hosting Presbytery in under a year. What a blessing! Our core team is very excited to be hosting you on January 25th. We meet in a heated gymnasium, but depending on weather, you may want to bring a light jacket. Also, we do not have Wi-Fi internet, but the phone networks have decent service.

We are looking forward to worshipping together. You will get a little taste of the cross-cultural ministry God has called us to here in Orangeburg. Prepare your hands for clapping!

Registration will begin at 8:30am and we will have coffee and refreshments as you arrive. Lunch will be catered by a local black-owned business, Thee Matriarch Bed & Breakfast, complete with their award-winning Island Tea!

Lastly, it appears that we'll have a light business day, so I am planning to lead a prayer walk after we adjourn over at South Carolina State. Please plan to join us if you have time.

The Lord Bless You,

A handwritten signature in black ink that reads "John Paul Sibley". The signature is written in a cursive, flowing style.
